# About JKP Care Foundation

Welcome to JKP Care Foundation, a registered non-governmental organization dedicated to empowering professionals and caregivers in the field of special needs education and therapy. At JKP Care Foundation, we believe in fostering a supportive and inclusive environment for individuals with special needs by providing comprehensive training programs.

Our organization takes pride in offering a range of impactful training initiatives tailored for doctors, therapists, special educators, school teachers, and parents of special needs children. With a global reach, we have successfully trained over 2000 professionals and parents in the last two years, making a positive impact across the globe.

Our flagship programs include Autism Specialist Training, Sensory Integration Training, Basics of Speech & Language Therapy, Autism & Nutrition Therapy, ABA Therapy training and Inclusive Education Teachers Training. These programs are designed to equip participants with practical solutions, ensuring they are well-prepared to address the unique challenges faced by individuals with special needs.

What sets JKP Care Foundation apart is our commitment to versatility, offering training in various modes such as online, offline, and hybrid formats. This flexibility allows participants to access our programs in a way that best suits their individual needs and preferences.

Join us on this journey to make a meaningful difference in the lives of individuals with special needs. Together, let's build a more inclusive and compassionate world.

# Our Leader & Director

## Dr. Alok Arora

Dr. Alok Arora, an esteemed expert in the field of autism, is a highly qualified professional with an MSc. in Clinical Psychology and a PhD (UK). His extensive educational background also includes an MBA from NIBM and an EPBM from IIM Calcutta, showcasing a commitment to both clinical expertise and business acumen. With over 20 years of experience, Dr. Arora is renowned for his profound contributions to the autism community.

As the Director of JKP Care Foundation, JKP Healthcare, and People One Group, Dr. Arora plays a pivotal role in shaping innovative approaches to autism care and inclusive education.

Dr. Arora is not only a distinguished professional but also an accomplished author, having penned the insightful book "Spectrum of Hope." This book stands as a testament to his dedication to raising awareness and understanding of autism, offering a beacon of hope to those navigating the challenges associated with the spectrum.

In recognition of his outstanding contributions, Dr. Alok Arora has been honored with the Bhartiya Gyan Ratna Award by the Global Scholars Foundation, further solidifying his status as a respected figure in the field of autism advocacy and support. His holistic approach, blending clinical expertise, business leadership, and a compassionate heart, reflects a commitment to creating a brighter and more inclusive future for individuals with autism.

ABA Champs®

ABA Therapy Centre

*In association with JKP Care Foundation*

# Overview:

Starting an Applied Behavior Analysis (ABA) therapy center involves several key steps. Here's an overview of the process:

## **Education and Training:**

1. Obtain relevant education and training in ABA.

## **Business Planning:**

1. Develop a comprehensive business plan outlining your goals, target population, services offered, pricing structure, and marketing strategies.
2. Identify the target market and assess the demand for ABA therapy services in your area.

## **Licensing and Certification:**

1. Obtain the necessary licenses and certifications required to operate an ABA therapy center in your jurisdiction.

## **Facility and Equipment:**

1. Secure a suitable location for the therapy center that meets safety and accessibility standards.
2. Equip the center with the necessary tools and materials for ABA therapy sessions.

## **Staffing:**

1. Hire qualified and certified therapists.
2. Develop a training program for staff to ensure consistency in the delivery of ABA therapy.

## **Client Assessment and Treatment Plans:**

1. Develop a thorough assessment process to understand the needs of each client.
2. Create individualized treatment plans based on the assessment results.

## **Data Collection and Analysis:**

1. Implement robust data collection procedures to track client progress.
2. Regularly analyze data to make informed decisions about treatment adjustments.

### **Communication and Collaboration:**

1. Foster open communication with clients and their families. Keep them informed about progress, goals, and any necessary adjustments to the treatment plan.
2. Collaborate with other professionals, such as speech therapists, occupational therapists, and educators.

### **Insurance and Billing:**

1. Work with insurance companies to determine coverage for ABA therapy services.
2. Develop a streamlined billing process to ensure proper & timely revenue circulation.

### **Marketing and Outreach:**

1. Develop a marketing strategy to promote the ABA therapy center. Utilize online and offline channels to reach potential clients.
2. Establish relationships with local schools, healthcare providers, and community organizations to increase awareness.

## Quality Assurance and Continuous Improvement:

1. Implement a quality assurance program to monitor and improve the effectiveness of ABA therapy services.
1. Stay informed about the latest research and advancements in ABA therapy to provide cutting-edge services.

By following these steps and ensuring that your ABA therapy center is run under the supervision of certified professionals, you can establish a center that provides high-quality, evidence-based services to individuals with autism spectrum disorder and other developmental disorders. Regularly reassess and adapt your approach to stay current with best practices in the field.

# JKP Association: Key Features

- Training and Professional Development
- Resource Support
- BCBA Certified Supervisors
- Networking Opportunities
- Quality Control
- Research and Best Practices
- Credentialing and Accreditation
- Collaborative Initiatives
- Handholding & Practical Guidance
- Branding & Promotion Support

# SUPERVISION !

It's crucial for an Applied Behavior Analysis (ABA) therapy center to be run under the supervision of a Board Certified Behavior Analyst (BCBA) or a Board Certified Assistant Behavior Analyst (BCaBA)

The involvement of certified professionals ensures that the therapy provided is of high quality, evidence-based, and adheres to ethical standards.

**Unlocking Potential, Nurturing Diversity**

---

# Supervision includes:

1. Minimum two hours observation for each child per month
2. Child Assessment
3. Individualized Therapy Goals & Plan
4. Parent Counseling & Guidance
5. Quarterly Physical Visits ( in centers above 10 kids)
6. Handson Training
7. Case to case guidance
8. Resource planning & guidance
8. Parents Training

Remember : The practice of ABA therapy is a scientific discipline that should be implemented by proficient professionals under the supervision of BCBAs, adhering to its principles in order to achieve the desired outcomes.

# The Ethics of ABA Supervision

Ethical supervision is important in ABA therapy because it sets the foundation for results. In addition to protecting children, ethical supervision protects practitioners and maintains the [integrity](#) of ABA practice, creating better outcomes for all.

**Supervisory Competence**

**Supervisory Volume**

**Accountability in Supervision**

Providing Adequate Supervision

**Observing Sessions**

**Praising Success**

**Providing Feedback**

Responsible Supervision Practices

# Infra Requirements for ABA unit:
