About Spandan Sneh-Vatika

Spandan Sneh Vatika is a project initiated by JKP Care Foundation, a government-registered NGO.

Nestled near the serene beaches of Mumbai, Spandan Sneh Vatika offers a perfect escape from the city's hustle and bustle. This unique initiative will serve as a model for sustainable living and inclusivity while fostering societal awareness and acceptance.

Vision

To create a sustainable, inclusive environment that empowers individuals with diverse abilities, promotes ecological awareness, and fosters holistic living.

Mission

- Generate long-term employment opportunities for individuals with special needs.
- Achieve financial sustainability for Spandan Residential Rehabilitation Centre.
- Provide hands-on learning experiences in eco-tourism and agro-tourism.
- Promote inclusivity and societal awareness about the potential of individuals with diverse abilities.
- Offer respite care and recreational opportunities for families.

Project Highlights

- Eco-Learning Experiences.
- Biogas plant demonstrations.
- Integrated farming techniques.
- Organic cultivation workshops.
- Solar energy utilization.
- Rainwater harvesting and water conservation awareness.
- Outdoor & Sea-Beach Activities
- Cricket turf and badminton court.
- Sensory garden for therapeutic experiences.
- Walkways and nature trails for all ages.
- Inclusive Employment.
- The project will be managed and operated by Spandan's inmates, showcasing their skills and independence.
- Community Facilities.
- Meditation and prayer halls for holistic well-being.
- Community hall for workshops and inclusive events.
- Accommodation facilities for families and groups.
- Family-Friendly Services.
- Respite care for families with special needs children.
- Residential camps for schools and learning groups.
- Meeting events for corporates.

Be a Part of the Change

Help us make Spandan Sneh Vatika a reality! Your support can empower lives, foster inclusivity, and promote sustainability.

Ways to Contribute

- Financial donations to support infrastructure development.
- Sponsorship for specific facilities like the sensory garden or biogas plant etc.
- Partnering with us for workshops, training, or community programs.
