

Professional Training on Attention Deficit Hyperactivity Disorder (ADHD)

Greetings from JKP!

JKP is one-of-its-kind educational institute run by Jaikripalu Prabhu Care Foundation which takes pride in offering Certificate Courses for Professionals & Parents of Special Needs Children.

We live in an E-world these days! We talk of everything 'virtual'. Then, Can the field of education be any far behind? Of Course not, as is evident from the advent of e-learning! Today, learning is needed to survive and to thrive. In this sense, proliferation of knowledge through E-learning is not a luxury but a necessity for the present generation. In India, globalization has generated a good vibration and life for higher education. The new era of technology enabled education or 'eLearning' has made it easier for all, to pursue higher education, without leaving the comfort of their houses or having to take a 'break' from their careers.

With immense pride, we announce this Training Course on **Attention Deficit Hyperactivity Disorder (ADHD)** to train and facilitate parents & professionals to manage children with special needs.
