

JKP CARE FOUNDATION IN ASSOCIATION WITH CAMBRIDGE INTERNATIONAL INSTITUTE FOR PROFESSIONAL DEVELOPMENT, LONDON

About CIIPD

Cambridge International Institute For Professional Development (CIIPD) has been a pioneer in higher education, focusing on real-world applications and close collaborative relationships between students and their professors.

At CIIPD, we believe that education should be accessible to everyone, no matter where they are in the world. That's why we have designed flexible, online learning solutions that fit the needs of today's professionals, allowing you to gain new skills, enhance your expertise, and advance your career from anywhere. Whether you're a healthcare professional, educator, business leader, or IT specialist, we have courses that cater to your career goals.

ABOUT CIECB

The Cambridge International Education Certification Board, UK (CIECB) is a premier certification body dedicated to upholding high standards in international education. Based in the UK, CIECB offers recognized certifications across a wide range of professional and academic fields. Our mission is to empower learners, educators, and professionals by providing quality assurance and accreditation for educational programs globally. With a commitment to fostering excellence, CIECB enables individuals to enhance their skills, knowledge, and career prospects through credible and internationally respected certification

NGO Reg No.
U85300MH2022NPL386152

JKP is one-of-its-kind educational institute run by Jaikripalu Prabhucare Foundation (NGO) which takes pride in offering Certificate Courses for Professionals & Parents of Special Needs Children. Dynamic and full of Innovations, we are a team that strives for the best and understands the gaps and develop curriculum accordingly. JKP Care Foundation is a registered non-governmental organization dedicated to empowering professionals and caregivers in the field of special needs education and therapy. Our organization takes pride in offering a range of impactful training initiatives tailored for doctors, therapists, special educators, school teachers, and parents of special needs children. With a global reach, we have successfully trained over 2000 professionals and parents in the last two years, making a positive impact across the globe.

ABOUT PROGRAM

Speech Development Training focuses on enhancing communication skills by helping individuals articulate sounds, improve vocabulary, and strengthen language comprehension. This training empowers individuals to express themselves confidently and effectively, fostering better social interactions and personal growth. It helps build essential listening and processing skills, teaching active listening while improving auditory processing.
